Request for Information

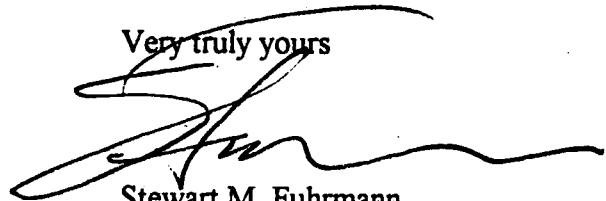

Dear Mr. Daigle:

I represent Barrett Paving Materials Inc., a recipient of the Joint Request for Information dated June 19, 1996 from Ms. Callahan, US EPA Region II and Mr. O'Toole, NYSDEC. The attached good faith responses (pages 000001 through 000323 including this cover letter) are made pursuant to the July 23, 1996 letter of William G. Little, Esquire of the NYSDEC.

As is evident from the attached, it is Barrett Paving Materials Inc.'s position that it is not involved nor did it contribute to the contamination of Onondaga Lake.

If additional information or clarification to the attached is required, please advise.

Very truly yours

Stewart M. Fuhrmann
